GREATER YELLOWSTONE CRANE FESTIVAL

6th Annual

2023 SPONSORSHIP OPPORTUNITIES

Wednesday- Saturday, September 20-23

Thank you so much for your interest in Teton Regional Land Trust's 6th Annual Greater Yellowstone Crane Festival. The festival is a community-wide celebration of the annual Sandhill Crane migration and the Greater Yellowstone region's exceptional wildlife. For over 32 years Teton Regional Land Trust (TRLT) has been working to protect critical wetlands, nesting and foraging habitat for Sandhill Cranes, resulting in 25 miles along the Teton River permanently protected and nearly 14,000 acres. Teton Valley hosts the largest pre-migration staging population of Sandhill Cranes in the Greater Yellowstone Ecosystem due to the unique alignment of wetland and grain habitat. This ensures the cranes will be able to build up their energy reserves before making their annual migration to wintering grounds in the southern US and Mexico.

Your sponsorship supports the festival and the efforts of the Greater Yellowstone Sandhill Crane Initiative; protecting critical Sandhill Crane habitat and resources, essential to the species' long-term survival.

This family friendly festival will include crane viewing tours, a community celebration with crane art, music, and dance, and multiple workshops in mediums such as poetry, drawing, painting, photography, and printmaking. The festival may also include a film screening, expert speakers, and/or live storytelling. The Greater Yellowstone Crane Festival attracts people from across the region, and attendance numbers in prior years have reached close to 500! Your business will receive broad exposure and acknowledgment of your support at the many activities and workshops offered throughout the week. Your sponsorship means a lot to us and to our community at large.

Teton Regional Land Trust is an IRS recognized 501(c)3 non-profit. All donations are tax deductible.
