

IN A LANDSCAPE:

Classical Music in the Wild

2024 SPONSORSHIP OPPORTUNITIES

Wednesday, July 24 from 4:30-8:30pm

Back by popular demand, IN A LANDSCAPE: Classical Music in the Wild™ is an outdoor concert series that takes place in stunning landscapes across the west. Piano player Hunter Noack expertly plays to his audience while music is transmitted to concert-goers via wireless headphones. No longer confined to seats, attendees can explore the landscape, wander through secret glens, lie in sunny meadows, or roam through forests. We hope you are inspired to take part in this extraordinary experience and help us make it a great success again!

Proceeds of the event will go to support our mission to conserve working farms and ranches, fish and wildlife habitat, and scenic open spaces in eastern Idaho for this and future generations. As a sponsor, you will receive broad exposure and acknowledgement of your support of this event. The concert will be held on the permanently protected Teton River Headwaters property. Bring your friends and enjoy breathtaking vistas of the the Big Hole, Teton, and Snake River Mountains while listening to Hunter play. Join us for a conservation tour of the unique wetlands found on the Teton River Headwaters property before the concert begins.

Teton Regional Land Trust is an IRS recognized 501(c)3 non-profit. All donations are tax deductible.
